Dr R Hems | Dr G Dalton | Dr S Taylor | Dr K Aziz | Dr R Kalia | Dr S Patel | Dr S Dhas | Dr C Aiton

Thank you for choosing to register with The Coastal Partnership!

In order for us to make sure we register you correctly, efficiently and as quickly as possible, please ensure that you do the following:

- **Fully** complete the New Patient Questionnaire. If you miss out important information (e.g. ethnic origin, first language, previous surgery details, emergency contacts, family history) this could delay your registration; your form may also be returned to you for completion.
- If you are on any repeat medication, please bring along a copy of your repeat(s) or a list of current medication from your previous surgery.
- We require both a photographic ID **and** a form of ID that shows your current address; this is to protect you and your confidential medical record. These could be any of the following:
 - Driving Licence (for photographic ID and/or proof of address, if your address is up to date)
 - Passport (for photographic ID only)
 - Utility Bill (for proof of address)
 - Bank Statement (for proof of address)

If you are unsure as to what you can use as ID, please ask at Reception.

- Please read through and fill in the form about Patient Record Sharing Consent. You can find further information on our website, the NHS Choices website or the HSCIC (Health and Social Care Information Centre) website about data sharing and confidentiality or ask at reception.
- Please read through the form – Dissent from Secondary use of Patient Identifiable Data – If you would like to opt-out please fill in the back of the form.

Patient Online

Once registered, you have the option to sign up to Patient Online services which allows you to order repeat medication, book appointments and request, and then access, your medical record all online. If you wish to set this up, once registered, see the reception team, providing photographic ID (see above).
